William Grimm Receives American Lung Association Award

NEW PRAGUE, MINNESOTA, December 18, 2009 - Bill Grimm, RRT, Regional Manager (Western U.S.) at Electromed, Inc. has recently received the award for ***volunteer excellence in programs from the American Lung Association of the Southwest***. Upon winning this award, Mr. Grimm stated that "I am fortunate to work for a company that allows me the time and resources to give back to the Respiratory community. Even though this award has my name on it is was as much won by Electromed as it was won by me!"

Currently, Mr. Grimm is responsible for the planning, development and recruitment of the sales team within the Western U.S. at Electromed, Inc. Bill possesses an extensive sales and clinical background which has served him well as a Respiratory Therapist since 1980. In addition to holding the roles as President of the Arizona Society of Respiratory care and Vice President of the Board of Directors for the National Emphysema and COPD Association, Mr. Grimm currently sits on the editorial board for the COPD Digest as well as the Asthma Camp Committee for the state of Arizona. As a top sales producer for several different companies, he continues to excel. Recently, Bill was awarded the Chairman's Award in 2008 by Electromed, Inc. To receive his education, Mr. Grimm attended Kennedy Western University for HealthCare Administration as well as Maricopa Technical College for Respiratory Therapy.

Electromed Inc. is the innovative leader in the development, manufacturing, and worldwide sales of the SmartVest® Airway Clearance System, a patented medical device that uses High Frequency Chest Wall Oscillation (HFCWO) to provide Chest Physiotherapy (CPT). HFCWO has been proven to clear the lungs of excess mucus and improve lung drainage, thereby reducing lung infections. Electromed, Inc., the first to provide a portable, programmable, and multi-positional operating system, takes pride in claiming its place as the "Innovative Leader in Airway Clearance."

For more information on the SmartVest® Airway Clearance System or HFCWO therapy, contact Electromed, Inc. at info@electromed.com or 800-462-1045 or visit www.electromed.com.
