## **ELECTROMED, INC. SALUTES MEDICAL ASSISTANTS ACROSS THE NATION**

**New Prague, Minnesota – October 14, 2011** – Electromed, Inc. (NYSE: ELMD), developer, manufacturer and distributor of the patented SmartVest® Airway Clearance System, salutes Medical Assistants across the country during Medical Assistants Recognition Week, as designated by the American Association of Medical Assistants (AAMA), October 17-21.

“Medical Assistants provide essential services that range from drawing blood and performing basic medical tests to maintaining medical records and handling the office's insurance billing,” says Marty Davig, Clinical Relations and Training Manager at Electromed, Inc. “Medical Assistants are an integral part of health care teams and we applaud them everywhere for their many contributions and dedicated service.”

Robert Hansen, Chairman and CEO of Electromed, Inc., adds "All medicine is founded upon science and art. The latter, art, is grounded in the compassion and competency of people who are prepared and who deliver high quality care and service to those requiring medical review and support. Electromed, Inc. joins the entire nation in pausing to salute the commitment and the competency of Medical Assistants across all fifty States during this special time of Recognition.”
