**ELECTROMED, INC. INTRODUCES GINKGO GREEN TO PRODUCT LINE**

**New Prague, Minnesota – April 1, 2013** - Electromed, Inc. (NYSE MKT: ELMD) maker of the SmartVest<sup>®</sup> Airway Clearance System today announced the expansion of its product line with Ginkgo Green, a new SmartVest garment color.

"We are excited about this addition to our other colors," said Product Manager Kelly Lunder. "It continues on the path of innovation for Electromed and will provide our patients and clinics an option that our competition does not offer. Introducing new colors shows that we are listening to our customers and responding to market needs and trends."

In addition to Ginkgo Green, Electromed's garment line includes SmartVest Teal, Powerful Purple, Brilliant Blue, Seriously Pink, and Racing Red. Every in-home patient has an option to select a colored SmartVest garment, personalizing their treatment experience.

**About Electromed, Inc.**

Electromed manufactures, markets, and sells products that provide airway clearance therapy, including the SmartVest Airway Clearance System, to patients with compromised pulmonary function. Further information about the Company can be found at [www.electromed.com](http://www.electromed.com) or [www.smartvest.com](http://www.smartvest.com).
