ELECTROMED, INC. ANNOUNCES BOOK PARTNERSHIP WITH *HEALTHY CHOICES, HAPPY KIDS*

New Prague, Minnesota – May 5, 2014 - Electromed, Inc. (NYSE MKT: ELMD) maker of the SmartVest® Airway Clearance System has joined *Healthy Choices, Happy Kids* in the launch of its new children's book, which explores the magic of choices and consequences.

The book helps parents and children understand the best way to deal with the many important self-care issues they will encounter, even with issues where the results may not appear for years.

Electromed has also launched a promotion where each newly prescribed patient 10 years old and younger will receive a free copy of the book with their SmartVest shipment while supplies last. Additionally, Electromed field representatives will donate copies at cystic fibrosis centers, select pediatric pulmonology clinics, and at family education days throughout the United States.

Healthy Choices, Happy Kids is written by well-known family parenting authorities. Foster Cline, MD is the internationally renowned author and co-founder of Love and Logic, a well-known and highly regarded parenting approach. Lisa C. Greene, MA CFLE is a well-known national speaker and certified family life educator, presenting at hospitals and conferences on raising children with health care issues. She is the mother of two children with cystic fibrosis. Gina May is a dedicated and busy mom of four children.

Books can also be purchased at www.healthychoiceshappykids.com.

For more information visit www.smartvest.com and www.healthychoiceshappykids.com.

About Electromed, Inc.

Electromed manufactures, markets, and sells products that provide airway clearance therapy, including the SmartVest Airway Clearance System, to patients with compromised pulmonary function. Further information about the Company can be found at www.smartvest.com.
